

Report - SG2219 - 2018-01-24

Respondents: 1
Answer Count: 1
Answer Frequency: 100.00%

Please note that there is only one respondent to this form: the person that performs the course analysis.

Course analysis carried out by (name, e-mail):

Anders Dahlkild, aadkth.se

COURSE DESIGN

Briefly describe the course design (learning activities, examinations) and any changes that have been implemented since the last course offering.

Tre kursavsnitt presenteras under ca 3x12h lektionsundervisning
Varje avsnitt har hemuppgift alternativt numerisk lab.
Två eller tre lärare är involverade som genomför muntlig examination på varje avsnitt.

THE STUDENTS' WORKLOAD

Does the students' workload correspond to the expected level (40 hours/1.5 credits)? If there is a significant deviation from the expected, what can be the reason?

Endast 5 (av) 13 studenter har besvarat enkäten, med stor spridning i angivet antal timmar per vecka.
(Kursen har schemalagts under terminens gång varför arbetsinsatsen varit mer utspridd än normalt.)

THE STUDENTS' RESULTS

How well have the students succeeded on the course? If there are significant differences compared to previous course offerings, what can be the reason?

Studenterna har lyckats bra.

OVERALL IMPRESSION

Summarize the teachers' overall impressions of the course offering in relation to students' results and their evaluation of the course, as well as in relation to the changes implemented since last course offering.

Meningsfullhet: acceptabel
Begriplighet: mycket bra
Hanterbarhet: acceptabel

ANALYSIS

Is it possible to identify stronger and weaker areas in the learning environment based on the information you have gathered during the evaluation and analysis process? What can the reason for these be? Are there significant difference in experience between:

- students identifying as female and male?
- international and national students?
- students with or without disabilities?

Meningsfullhet: Neutralt 3. prova egna idéer. Starkt 1. Intressanta frågeställningar

Begriplighet: Neutralt 14, 15 feedback utan att bli betygsatt. Starkt 12. Läraktiviteter hjälpte mig att nå kursmålen.

Hanterbarhet: Neutralt 18. Spenderade tid för reflektion. Starkt 19. Kunde lära mig på det sätt som passade mig.

ANSWERS TO OPEN QUESTIONS

What emerges in the students' answers to the open questions? Is there any good advice to future course participants that you want to pass on?

The lectures; they were well structured and focussed on the core topics. I valued the approach to explain and derive the concept, as it gave me a better understanding of the concepts themselves.

There was little supplemental information available on canvas. I would like to have seen lecture notes or practice questions.

PRIORITIZED COURSE DEVELOPMENT

What aspects of the course should be developed primarily? How can these aspects be developed in short and long term?

Canvas kommer att användas fullt ut i nästa kursomgång.

De tre avsnitten i kursinnehållet kommer att väljas ur en lista på ca 5 teman, med olika lärare involverade.

Kursplanen kommer att revideras enligt detta.
